THE WHELAN FOUNDATION HITS \$1 MILLION MILESTONE!

Since 2008, when The Whelan Foundation first began, we have been able to donate over \$1 million dollars. These funds have gone to supporting communities on Long Island through several of our current programs including our Scholarship Program and our Student Loan Debt Reduction Program. Aside from this, the Whelan Foundation supports Camp NorthStar, the Hofstra PALS Program, East Rockaway High School's Skills and Achievement Art Program and The Lowell School, as well as many other organizations that are beneficial to the youth of Long Island.

ABOUT THE WHELAN FOUNDATION

Founded in 2008 by Lawrence and Deborah Whelan. The Whelan Foundation's main purpose has been to provide funding and volunteer services for the youth of Long Island with disabilities. Its board members believe that the world can be a better place if you become involved in your community. We lead by example and are dedicated to enhancing the lives of our young people across Long Island. It is our hope that those who benefit from the Whelan's Foundation's aid will then, in turn, give back to the Long Island community.
